

Meet the team at The Beehive

Donna is our Centre Manager at The beehive Business Centre. Donna has worked at The beehive for over 4 years and has seen a number of changes at the Business Centre over the last few years; including refurbishment works to provide a range of new modern flexible office suites from only 2 persons upwards, a new welcoming reception area and informal break out area / facilities.

In her spare time, Donna likes to watch Documentaries, enjoys cooking and would one day like to visit Texas, USA. Her favourite colour is orange and her favourite pet is a dog having grown up with two named Molly & Ellie.

If you are looking for a friendly place to work with socially distanced space, then contact us to arrange a viewing of one of these modern office suites.

You can also visit the dedicated website at <https://www.thebeehive-blackburn.co.uk/> or call Donna on 01254 693520.

A home for your business
