What We Offer

The Beehive is a modern serviced office centre offering a range of office suites to let.

The Centre is one of four Northern Trust Business Centres, and has been specifically designed to encourage new start-up businesses and support small and medium sized enterprises looking for flexible office accommodation.

The building is arranged on ground and two upper floors and is set within landscaped surroundings with extensive on site car parking available. The ground floor provides a range of smaller suites from 1 person (179 sq ft) upwards, with larger offices on the first and second floors. Suites can be combined to create a larger floor area subject to availability. All offices are fully carpeted and decorated to a high standard and benefit from a managed reception area.

There is a large modern break out area on the ground floor providing an informal meeting space to encourage interaction between businesses and individuals within the Centre to stimulate growth.
